## A WORD FROM OUR PASTOR

### "TRANSITIONS"

Every organization and individual goes through transitions in life. Transition is necessary for survival in most situations. During such times individuals, organizations and churches have the opportunity to learn from the past, adapt for the present and make plans for the future.

In the Bible we read about the significance of transitions where a season of change was met with great anticipation as well as vision for the future. Ministries passed on included Moses to Joshua, Eliza to Elisha, David to Solomon, Paul to Timothy, and Jesus to his disciples with instructions in the Great Commission which says, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matthew 28:19-20)

Through the decision to affirm our building committee's recommendation we have taken a significant step toward embracing our present and future ministries with healthy commitment. Together we will continue to prayerfully seek God's guidance for future decisions that relate to our relocation process.

Thank you as a Church family for responding to the Building Committee's recommendation with such a verified and positive vote. Thank you Building Committee: Gerald Cox, Carolyn Shaw, George Maddox, Melanie Cooke, Murrell Porter, Ray Cecil, Tim Armstrong, Tom Jasper.

With Appreciation,

*Bro. Biny*

P.S. For those of you who missed the voting results Sunday, 518 ballots were turned in with 491 voting yes and 27 voting no for a 95% approval of the Phase One facility master plan.

## MISSIONS MINISTRY

### LEADERS NEEDED

As of today, there are no RA (Royal Ambassador, boys mission education) leaders. Folks, this is important that we have men step up to lead boys and young men into understanding the Biblical basis of missions, living a missional lifestyle, learning about missions, giving to missions, doing missions etc. Without leaders there will be no RA for boys this school year. Prayerfully consider leading young boys and men through RA. Please contact John Tappan, Jennifer Harris or Wanda Walker.

GA (Girls in Action) leaders will meet on Wed., Aug. 7 at 6 p.m. in the GA area.

The Barnabas program is a great opportunity for members of our church family to make a special contribution and significant impact in the lives of college students. A Barnabas anonymously corresponds with one of our (40+) students, prays specifically for them throughout the academic year (especially during finals!), and encourages them through simple notes and care packages.

If you have been a Barnabas in the past, please let others know what a blessing it is to be involved in the life of one of our young adults, and encourage them to consider being involved.

If you would like to sign up to be a Barnabas, or if you would like more information, please contact Doris Hunt (538-6089) or Cameron Ford in the church office.
